

MEMORANDUM

TO: Cattle Feeders, Order Buyers, and Backgrounder/Feeder Buyers

FROM: Ronnie Helmondollar
rrhelmondollar@mail.wvu.edu

DATE: September 19, 2025

RE: WV Quality Assurance Feeder Cattle
Sale September 26, 2025 1:00 PM (EDT)
Tel-o-auction Number: 1-800-309-2350 Passcode: 4505514#
www.wvcattlemen.org

The 2025 WV Quality Assurance Feeder Cattle Marketing Program will offer 1270 steers and 665 heifers on **September 26, 2025** at **1:00 PM** (EDT). Please note that online bidding is not available, so buyers not in attendance must bid via phone. Prior to the sale, prospective buyers should call (304) 472-5300 to receive tel-o-auction information and a bidder's number.

West Virginia Quality Assurance feeder cattle have a reputation of excellent performance in the feedlot and on the rail, and the WVQA sale will feature some of the highest quality feeder cattle available. All calves stem from performance tested and/or proven genetics and originate from herds employing comprehensive herd health programs. All calves have been vaccinated according to one of the WV BQA herd health protocols found on the following page. Please review the health protocols so you are familiar with the designations for each lot.

Each load of calves within a respective lot will be offered separately (A, B, C, etc.). Because calves will be sold in order of increasing advertised load average weight, we have provided a sale order for your reference. Please note that loads will be filled heavy to light, so the lightest loads may vary from the advertised number of head. There are several partial loads of lighter calves that will be great to background, but please be mindful of advertised pick-up dates and conditions.

This sale is being conducted in cooperation with several local livestock markets, so please feel free to contact the consignors or their designated marketing representative with questions or to preview cattle. To reserve a position on the tel-o-auction, please direct your calls to **Melissa Garrett (304-641-3158 or 304-472-5300)**. As always, we appreciate your continued interest in West Virginia feeder cattle.

¹ *The use of trade names or product names does not imply endorsement by the WVU Extension Service.*

² *West Virginia University and the Livestock Markets are serving as facilitators for the sale of these cattle and make no guarantees for the performance or health of the cattle nor do they assume any liabilities legal or otherwise.*

Health and Preconditioning Programs

West Virginia Gold (VAC 45)

Vaccinated and Boostered for:

- IBR, PI₃, BVD, BRSV (*MLV Only*)
- 7-way Clostridial
- Pastuerella
- H. Somnus (*Pool Option*)
- Lepto 5 (*Pool Option*)
- Dewormed
- Grub and Lice Control (*Pool Option*)

Preconditioning:

- Weaned ≥ 45 days
- Bunk broke

West Virginia Silver (PreVAC)

Vaccinated and Boostered for:

- IBR, PI₃, BVD, BRSV (*MLV Only*)
- 7-way Clostridial
- Pastuerella
- H. Somnus (*Pool Option*)
- Lepto 5 (*Pool Option*)
- Dewormed
- Grub and Lice Control (*Pool Option*)

NOTE:

- Booster vaccines and internal parasite treatments for both programs must be administered no more than 90 and at least 30 days prior to delivery.*
- Individual marketing pools are required to select a single pharmaceutical company and vaccinate all calves within the pool following the labeled guidelines. Each host pharmaceutical company will follow their published guidelines of assurance. The buyer's veterinarian must contact the pharmaceutical technical veterinary services for diagnostic assistance if and when problems occur. Sellers do not warrant that the livestock are free from any latent defect, condition, sickness or disease nor do sellers assume responsibility for losses after delivery.*

WVQA Sale Price Slide

Price adjusted only if heavy. Slid back to advertised base weight.

All loads sell with a max 50 lb. weight stop over base weight.

Lbs. Over Base Weight	Slide
1 - 50	\$0.10
