STRENGTH THROUGH UNITY

One person standing alone will have little impact on the future of the cattle business. However, cattlemen across the state standing together can make a difference. Today, the cattle industry faces many challenges; health issues, changing regulations and increased competition from other meats are only a few challenges. To meet these issues head on, we need a strong organization to represent cattle interests. WVCA is the organization that stands up for the cattlemen. Join today! Help yourself and other WV cattlemen have a stronger voice in the future of our industry.

Members Receive:

- Work on legislative issues related to the cattle industry
- Newsletters
- Marketing support
- Represent WV producers on state and national committees
- Support of two Bull Tests, Beef Expo and youth beef activities
