Welcome to the WV Beef Expo

Thanks for looking into the West Virginia Beef Expo’s Limousin offering for 2019. We think you will enjoy searching for the genetics to help make your beef business easier, more progressive, more profitable and more enjoyable. The Limousin breed will serve profit-minded cow/calf producers in today’s competitive markets. If I can be of assistance in your selection of bulls or females in the Limousin sale, feel free to contact me.

Thank you for your interest,
Lisa George, Sale Manager

All Limousin Bulls In This Sale Have Passed A Semen Test. There Will Be A $1,200.00 Minimum Bid On Each Bull.

Cattle Sell Under The Standard Sale Terms And Conditions Of The North American Limousin Foundation.

Ogilbee Limousin
Lots: 101, 104, 119
Stormy Night is the herd bull you have been looking for. He's got a good temperament and plenty of muscle to go with his body size. He is big enough to breed cows but will still work great on heifers.

CARGO is a double polled, double black bull who is going to make a phenomenal calving ease bull. This bull is very laid back and friendly. He comes from a phenomenal herd bull who creates great cattle that develop great carcass weights and marbling.

The WV Junior Limousin Association will be having a raffle at the 2019 WV Beef Expo.

1st Choice: Bred Limousin Cow
FRBR Carlyn 530C
12/20/2015
NPF2105231 ~ Purebred
Sire: WULFS Zane Dam: EBFL Betty
AI’ed 11/25/2018 to:
CJSL Creed 5042C Lim Flex Homo Black & Homo Polled
Donated By: David & Debbie Friend of Friend Brothers Limousin

2nd Choice: Yeti Cooler
3rd Choice: Dolmar Weed Eater

Drawing will be held at the Limousin Sale on April 13th.

Red Knight is a bull you can show in the ring and use in the field. He is short legged, deep bodied, and has plenty of hair to help you get your show calves.

AUTO REAL DEAL 150B
TMCK ERICA 008A

This son of AUTO Real Deal is the cattleman’s kind: sound, easy keeping, and rugged in his design. This bull can Fine Tune your calf crop with his added performance.
Here is a powerful purebred cow that proves her self year after year. She is a very docile cow that is halter broke and bred to an elite bull ELCX CAUTION 043C. Bred 12-07-18 and was exposed for 40 days.

Here is a really nice young female who did a phenomenal job as a first calf heifer. This is a female we definitely would love to keep in our pastures but we have kept many many females out of her dam CLLL AMY 812W who is in our donor pen, and want to take the opportunity to sell some of our very best for our customers. Bred 12/07/2018 was exposed to bull for 30 days.

Verabella is a small heifer out of a great CLLL cow. She has been shown and did well in the ring. She has a calm disposition. She will make a great cow for anyone to have in their field to produce good stock. Pasture exposed 10/12/18 thru 01/12/2019.

Thank you doesn’t seem adequate enough to describe our gratitude and appreciation for all the support many of you have provided over the years to keep our program moving forward.

We couldn’t continue without you and are exceedingly grateful. We appreciate your purchasing Maple Lane genetics and will strive to continue providing cattle that will work for both the purebred and Commercial breeder.

Thanks again from all of us at Maple Lane Farm
